

# CLASSIFICATION AND LABELLING

## Classification and labelling according to CLP / GHS

**Name:** Carbonic acid, zinc salt, basic

Implementation: EU

- [Type: self-classification](#)

State/form of the substance: powder

## Classification and labelling according to CLP / GHS for physicochemical properties

Not classified for physico-chemical properties

## Classification and labelling according to CLP / GHS for health hazards

| Endpoint        | Hazard category | Hazard statement                    |
|-----------------|-----------------|-------------------------------------|
| Eye irritation: | Eye Irrit. 2    | H319: Causes serious eye irritation |

## Classification and labelling according to CLP / GHS for environmental hazards

| Endpoint                                               | Hazard category   | Hazard statement                                       |
|--------------------------------------------------------|-------------------|--------------------------------------------------------|
| Hazards to the aquatic environment (acute/short-term): | Aquatic Acute 1   | H400: Very toxic to aquatic life.                      |
| Hazards to the aquatic environment (long-term):        | Aquatic Chronic 2 | H411: Toxic to aquatic life with long lasting effects. |
| M-Factor acute: 10                                     |                   |                                                        |

## Labelling

Signal word: Warning

Hazard pictogram:

GHS09: environment

Hazard statements:

H319: Causes serious eye irritation

H400: Very toxic to aquatic life.

H411: Toxic to aquatic life with long lasting effects.

Precautionary statements:

P264: Wash ... thoroughly after handling.

P280: Wear protective gloves/protective clothing/eye protection/face protection/hearing protection/...

P305+P351+P338: IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing.

P337+P313: If eye irritation persists: Get medical advice/attention.

P273: Avoid release to the environment.

P391: Collect spillage.

P501: Dispose of contents/container to...
